

Surface Mining Reclamation and Enforcement, Interior

§ 887.5

(a) The amount and disposition of all assistance received for the program; and

(b) The total direct and indirect costs of the program for which the grant was awarded.

[47 FR 28601, June 30, 1982, as amended at 60 FR 9983, Feb. 22, 1995]

§ 886.25 Special Indian lands procedures.

(a) This section applies to Indian lands not subject to an approved Tribal reclamation program. The Director is authorized to mitigate emergency situations or extreme danger situations arising from past mining practices and begin reclamation of other areas determined to have high priority on such lands.

(b) The Director is authorized to receive proposals from Indian tribes for projects that should be carried out on Indian lands subject to this Section and to carry out these projects under parts 872 through 882 of this chapter.

(c) For reclamation activities carried out under this section on Indian lands, the Director shall consult with the Indian tribe and the Bureau of Indian Affairs office having jurisdiction over the Indian lands.

(d) If a proposal is made by an Indian tribe and approved by the Director, the Tribal governing body shall approve the project plans. The costs of the project may be charged against the money allocated to OSM under § 872.11(b)(5).

(e) Approved projects may be carried out directly by the Director or through such arrangements as the Director may make with the Bureau of Indian Affairs or other agencies.

§ 887.1 Scope.

This part sets forth procedures for grants to States having an approved State reclamation plan for the establishment, administration and operation of self-sustaining individual State administered programs to insure private property against damages caused by land subsidence resulting from underground coal mining.

§ 887.3 Authority.

The Director is authorized to approve or disapprove applications for grants up to a total amount of \$3,000,000 for each State with an approved State reclamation plan provided moneys are available under § 872.11(b) of this chapter and Section 402(g)(1) of Pub. L. 95-87 (30 U.S.C. 1232).

§ 887.5 Definitions.

As used in this part—

Establishment—means either the development of a subsidence insurance program or the administration or operation of a subsidence insurance program.

Private property—means any or all of the following: dwellings and improvements, commercial and industrial structures, utilities, underground structures such as sewers, pipes, wells and septic systems, sidewalks and driveways, and land.

Self-sustaining—means maintaining an insurance rate structure which is designed to be actuarially sound. Self-sustaining requires that State subsidence insurance programs provide for recovery of payments made in settlement for damages from any party responsible for the damages under the law of the State. Actuarial soundness implies that funds are sufficient to cover expected losses and expenses including a reasonable allowance for underwriting services and contingencies. Self-sustaining shall not preclude the use of funds from other non-Federal sources.

State Administered—means administered either directly by a State agency
